1.0 EXECUTIVE INVESTMENT PROPOSITION & COMMERCIAL SUMMARY

ADOV Care Group presents a premier social infrastructure investment opportunity: the commercial conversion and operation of an 8-bed specialist Supported Living campus across 78 and 80 Marston Gardens, Luton, coupled with the integration of 82 Marston Gardens as the private executive residence for the Director. The business model generates £977,600 in annual turnover funded by statutory local authority and NHS budgets under the Care Act 2014, delivering an operating EBITDA of £341,392 (35.0% margin) in OpCo and £97,000 in net rental income in PropCo, yielding a total consolidated group cash flow of £438,392 annually. With an upfront turnkey capital expenditure of just £68,400, the project achieves full capital payback in under 2.5 months and generates an annual Return on Capital Employed (ROCE) exceeding 500%.

2.0 FREEHOLD ASSET SECURITY & DUAL-EXIT DEFENSIVENESS

Unlike standard healthcare operating businesses that rent commercial premises, ADOV Care Group is 100% asset-backed by prime unencumbered freehold real estate held in ADOV LIMITED. The properties command an unencumbered residential bricks-and-mortar value exceeding £1.50M. As a commissioned care campus generating £97,000/yr in passing FRI commercial rent, the real estate achieves a commercial investment valuation of £1.38M (at a 7.0% capitalization rate), giving lenders and investors complete capital preservation.

Table 16.1: 5-Year Consolidated Financial Forecast & Capital Accumulation Schedule

Financial Metric	Year 1 (Commissioning)	Year 2 (Steady State)	Year 3 (Inflation +3%)	Year 4 (Expansion)	Year 5 (Terminal Value)
Gross Care Turnover	£977,600.00	£1,006,928.00	£1,037,136.00	**£1,068,250.00**	**£1,100,297.00**
Care Operating Costs	£636,208.00	£655,294.00	£674,953.00	**£695,202.00**	**£716,058.00**
OpCo Operating EBITDA	£341,392.00	£351,634.00	£362,183.00	**£373,048.00**	**£384,239.00**

Cumulative Net Cash Generated	£438,392.00	£887,026.00	£1,349,119.00	**£1,825,074.00**	**£2,315,307.00**

3.0 CAPITAL EFFICIENCY, TAX ARCHITECTURE & DIRECTOR HOME INTEGRATION

THE TRIPLE-WIN EXECUTIVE ARCHITECTURE

1. Executive Quality of Life: Living at 82 Marston Gardens provides an executive family haven with secluded private gardens and 4 bedrooms, allowing 30-second on-site management presence without living inside the care facility. 2. Total Tax Neutrality: Open-market AST agreement between ADOV Limited and the Director at £1,500/mo completely eliminates HMRC Benefit in Kind (s.105/106 ITEPA 2003) to NIL. 3. Corporate Shielding: Freehold assets in PropCo are completely insulated from OpCo clinical risks, and OpCo commercial rents are 100% tax-deductible.
