1.0 STATUTORY TENANCY SEPARATION & MODEL AST TERMS

In accordance with CQC statutory policy 'Right support, right care, right culture' and housing law precedents, tenants residing at 78 and 80 Marston Gardens execute an individual Assured Shorthold Tenancy (AST) with ADOV LIMITED. The agreement confers exclusive legal possession of their private bedroom and shared use of communal areas. Crucially, tenancy occupation is NOT legally conditional upon receiving care from ADOV Care Group Limited, guaranteeing full statutory independence.
