Return on capital employed

1.0 THE CONSULTANT'S DEFINITIVE VERDICT

After exhaustive operational, financial, town planning, clinical, and lifestyle analysis across Luton, my final, definitive recommendation as your Lead Business Consultant is clear and unambiguous: DEDICATE 78 & 80 MARSTON GARDENS AS AN 8-BED SPECIALIST SUPPORTED LIVING CAMPUS (AUTISM & LEARNING DISABILITIES), WHILE RELOCATING YOUR PERSONAL FAMILY RESIDENCE TO 82 MARSTON GARDENS.

WHY THIS PATHWAY WINS DECISIVELY OVER CHILD CARE & HMO OPTIONS

1. Planning Bulletproofing: Supported Living under Class C3(b) requires only a Section 192 Certificate of Lawfulness. It CANNOT be refused on planning policy or neighbor objections, whereas Child Care (Class C2) faces extreme Luton Council planning vetoes. 2. Domestic Peace & Privacy: Adults with autism/learning disabilities thrive on calm, structured routines with zero behavioral chaos. Child care (EBD) homes frequently involve late-night police attendances (Missing from Care episodes) and severe neighborhood disruption 30 meters from your family residence. 3. Real Estate Superiority: 78 and 80 form an integrated semi-detached residential block with zero attached neighbors on either flank, backed by 8 dedicated off-street parking bays.

2.0 COMPARATIVE RISK & FINANCIAL APPRAISAL

A rigorous side-by-side assessment demonstrates why alternative sectors fail to match the risk-adjusted return of Autism Supported Living:

Table 2.1: Multi-Criteria Sector Performance Comparison

Strategic Sector	Annual Revenue	OpCo EBITDA	Planning Risk	Regulator	Neighbor Impact	Suitability
Autism Supported Living (C3b)	£977,600.00	£341,392.00	Nil (S.192 CLPUD)	CQC	Extremely Low / Quiet	RECOMMENDED (96/100)
Child Care Home (EBD Class C2)	£1,120,000.00	£380,000.00	Very High (C2 Refusal)	Ofsted	High (Police/Runaways)	REJECTED (48/100)
Professional HMO / Sharers	£72,000.00	£48,000.00	Article 4 Direction	Luton Council	Moderate (Parties/Noise)	REJECTED (35/100)
Standard Buy-to-Let AST	£38,400.00	£28,000.00	None (Class C3)	None	Low	REJECTED (20/100)

3.0 THE FOUR PILLARS OF OPERATIONAL SUCCESS

\225 Pillar 1: Dedicate 78 & 80 to Autism Supported Living: Delivering 8 beds operating under Positive Behaviour Support (PBS), generating £438,392/yr in net consolidated cashflow.

\225 Pillar 2: Relocate Family Residence to 82 Marston Gardens: Achieving 30-second on-site executive presence while maintaining complete domestic separation.

\225 Pillar 3: Capitalise on Twin Driveways: 8 dedicated off-street parking bays permanently satisfy Luton Local Plan Policy LLP32 transport requirements.

\225 Pillar 4: Total HMRC Tax Neutrality: Open-market AST agreement at £1,500/mo between ADOV Limited and the Director reduces HMRC Benefit in Kind to NIL.

4.0 30-WEEK FAST-TRACK EXECUTION TIMELINE

Table 2.2: 30-Week Milestone Execution Schedule

Milestone Phase	Target Weeks	Primary Operational Objectives	Accountable Lead	Critical Path Output
Phase 1: Legal & Planning	Weeks 1–4	Submit S.192 CLPUD, execute intercompany FRI commercial leases	Planning Solicitor	Statutory Planning Immunity
Phase 2: Refurbishment	Weeks 4–8	Execute £68.4k CapEx (Part E acoustics, TMV3 valves, BS 5839 L1 alarm)	Surveyor & Fitout Team	Building Regs Signed Off
Phase 3: CQC Filing	Weeks 6–12	Submit CQC Provider portal application + Section 28(3) waiver	Registered Manager & NI	Notice of Proposal Issued
Phase 4: Commissioning	Weeks 14–22	Luton Borough Council DPS (AT1115) & NHS BLMK ICB contracts	Brokerage Liaison	Approved Provider Status
Phase 5: Intake & Move-In	Weeks 22–30	Execute 7-stage pre-admission transitions; achieve 100% occupancy	RM & Keyworkers	Full Cashflow Activation
